Stay sharp with the next generation of **American Eagle XP Technology®**

The new XP2

Quik-Tip™ tips now also available in XP² Technology™!
Interchangeable tips - save money and reduce waste

Only two instruments for all tooth surfaces:
Barnhart 5-6
Universal Curette
+ M23 Universal Scaler

AECB5-6XPXE XP² Technology™ Universal Curette Barnhart 5-6 € 87.52

AESM23XPXE XP² Technology™ Universal Scaler M23 € 87.52

AES204XPXE XP² Technology™ Scaler 204 S posterior € 87.52

AESBJXPXE XP² Technology™ Scaler Blackjack universal € 87.52

AEG11-12XPXE XP² Technology™ Gracey Standard 11-12 posterior, mesial € 87.52

Sharpen Free XP² Technology™

Now 59% sharper*

Experience easier navigation in periodontal pockets and interproximal areas **thanks to slimmer, precision-machined instrument tips.**

Gentle yet effective scaling: Tartar and hard deposits are removed layer by layer with “planing” strokes – for a gentle treatment for both patients and practitioners.

✓ **No need for sharpening and more time for what really matters: Your patients!**

*Compared to original XP Technology®

Learn more now!

After wear of the working ends, the handle remains in the practice. Only the two tips are replaced. Saving you money and reducing unnecessary waste.

- ✓ The handles are available in different versions and colours. Numerous individual models can be created.
- ✓ The accompanying wrench enables quick, convenient replacement of the Quik-Tip™ tips. Available for scalars, curettes and Gracey curettes.

NEW!
Quik-Tip in XP² Technology

The assembled instruments can be reprocessed in a thermo washer disinfector.
